RE: Docket No. 2011-222-S – Application of Jacabb Utilities, LLC for Approval of an Expansion of Its Existing Sewer Service Area to Include Certain Portions of Oconee County Pursuant to Agreement with The Landing at Clemson Marina Homeowner's Association

Dear Mr. Eakes:

I am returning the Application of Jacabb Utilities, LLC for Approval of an Expansion of Its Service Area because the Application includes a request for Commission approval of a proposed new rate schedule. According to S.C. Code Ann. Section 58-5-240(A), "whenever a public utility desires to put into operation a new rate, toll, rental, charge, or classification or a new regulation, it shall give to the commission and the regulatory staff not less than thirty days' notice of its intention to file...." Our records do not indicate that Jacabb Utilities, LLC filed a Letter of Intent prior to the Commission's receipt of the Company's Application for Approval of an Expansion of Its Service Area.

Please do not hesitate to let me know if you have any questions regarding this letter.

Sincerely,

Jocelyn G. Boyd
Chief Clerk and Administrator
